BLITHEVILLE, Ark. (AP)—A warrant has been issued for Gene Connell in connection with the shooting death of Carter Williams, 37, a Negro.

Connell's business partner in Ray's Grocery, Ernest B. Ray, 55, has already been charged with murder in the death.

Graham Partlow, deputy prosecutor, said a warrant was issued Sept. 3 for Connell.

However, Mississippi County Sheriff William Berryman said Connell and his family had moved to Memphis. Berryman said he would wait until Connell returned to Blitheville to "catch him."

Williams had been among a group of Negroes picketing the grocery to protest the quality of food sold there.

Williams' death touched off racial disturbances in Blitheville.

The Arkansas Democrat reported Sunday that Connell issued a statement through his father who lives in Blitheville.

"I would like to say that no businessman has the right to run his own business as he sees fit and proper any more without someone always issuing ultimatums, and that is the sad part of America today," Connell said.

When the demonstrators first began picketing the store, Connell said he reported their presence to the police. He said he was not invited to the meeting between law enforcement officials and the Negroes.

# American Party Denies Owing Back Wages

LITTLE ROCK (AP)—American Party in Arkansas officials have denied that they owe Mrs. Connie Alber \$6,000 in wages when she was the executive secretary of the party.

Mrs. Alber has filed a suit against the party asking for the \$6,000, which she says was promised to her for working for the party. She said that she was to be paid \$100 a week for her services.

APA officials contend that Mrs. Alber's contract was not executed and that \$400 she did receive in salary was not authorized. The party says she should return the \$400.

Mrs. Alber contends that while she was working for the party that it could not afford to pay. But, she says that now the party has funds due to the filing fees collected from candidates, it can afford to pay her the back wages.

She was expelled from the party on the same day that the party voted to "honor" the resignation of Jim Johnson as its national committeeman. Johnson resigned to rejoin the Democratic party.

The APA has presented Mrs. Alber with a list of 38 questions to answer. Several of the questions focus on her support of Johnson.

# UN General Assembly Meets Tues.

UNITED NATIONS, N.Y. (AP)—The U.N. General Assembly opens its 25th session Tuesday amid mounting demands that it be given broader powers to enforce its decisions in the peace-keeping field.

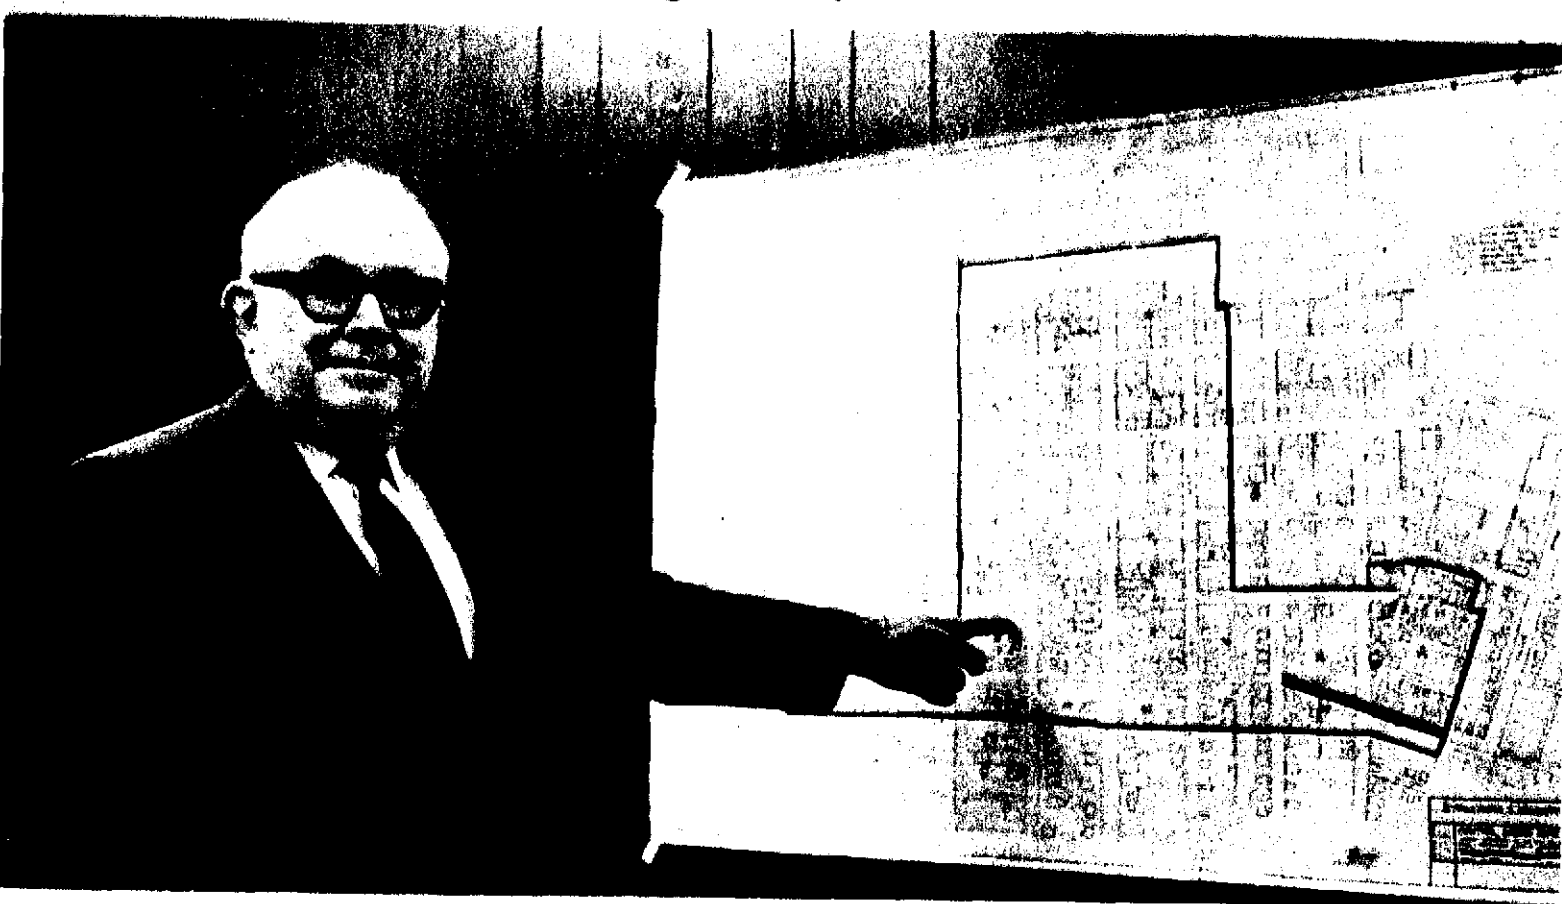

Diplomats are using the occasion to take a close look at the organization's weaknesses and possible steps to prevent it from eventual collapse.

Many already have expressed the view that member nations must consider yielding some of their sovereignty to the international body, thus giving it the needed authority to put teeth in its decisions.

As delegates of the 128 member countries began arriving Sunday for the three-month session, a White House commission issued a report in Washington noting what it called deep-seated weaknesses in the United Nations and recommending steps to strengthen it in peace-keeping, narcotics control, environmental protection and discouraging aircraft hijacking.

Some of these questions already have been under discussion among U.N. diplomats, and they are expected to get major attention by the 50 to 70 heads of government and heads of state who will attend the anniversary commemorative segment of the assembly session Oct. 14-24.

# Sees Difficulty in Passing Constitution

LITTLE ROCK (AP)—Rep. David Pryor, D-Ark., told a group of supporters of the proposed new constitution that getting the document accepted by the voters in November will be the "hardest mile."

"The cause began with the people," Pryor said. "The document was drafted by the people and now it must return to the people," Pryor said.

The congressman traced the 10-year history of the drive for a new constitution here Saturday during a kickoff luncheon for the campaign to get the new constitution accepted.

Among those attending were Gov. Winthrop Rockefeller, Dale Bumpers of Charleston, former Gov. Sid McMath, the chairman of Arkansas for the Proposed New Constitution and Lt. Gov. Maurice Britt, vice chairman.

Bumpers and Rockefeller will oppose each other in the race for governor in November.

"The Urban Renewal Program is operated on 3 levels of government—the federal for the financing, the state for the authority, and the local for the plans and implementation," Mike Kelly told the Hope Rotary Club last Friday at the Town and Country, when the club had its weekly luncheon meeting.

The survey and planning stage of the project that includes 77 acres of Hope property is expected to be completed by the end of September, and the engineering study of the area will follow. Appraisal and acquisition of property and, when necessary, relocation of residents will be carried out. The target date for completion of the first phase of the project is January 2, and by May or June 1971 the second part of the program should be done.

The Project Area Committee stresses that demolition is only a small part of the program; rehabilitation and renewal is the method preferred whenever possible. Whatever procedure is followed, the public should remember that the Urban Renewal Program is being undertaken for the benefit of the citizens of Hope.

Program chairman Harold Eakley introduced the speaker, and club president C.R. "Dick" Moore had charge of the business and announced that a fellow Rotarian, Roy Anderson, was in Memorial Hospital. A welcome was given to 3 guests, Corky Carlton of Nashville, Jesse Duckett and Starling Aaron.

# Guerrillas, Jordan Troops Are Battling

By THE ASSOCIATED PRESS

Palestinian guerrillas and Jordanian army troops clashed again Sunday, part of the Middle East confusion casting a long shadow over Tuesday's opening of the U.N. General Assembly's 25th session.

The bloody fight near the cease-fire line with Israel left 12 guerrillas and two soldiers dead, according to Palestinian sources. Sources in the guerrilla Central Committee said the commandos were from Al Fatah, largest of the Palestinian groups.

The government radio said the guerrillas were elements of the Palestine Liberation Army.

Iraq claimed there was increased Israeli military activity along the Israel-Jordan cease-fire line, but the military command in Tel Aviv denied this.

Further confrontation between the guerrillas and the Jordanian army appeared imminent, as Radio Baghdad reported Iraq had handed over to the Palestinians a 3,000-man brigade of commandos who had been serving under the Iraqi command since the 1967 Middle East war.

Another Palestinian force of 5,000 regulars is stationed in Syria. The Palestinian Central Committee—nominally in control of the many guerrilla groups—has called on Syria and Iraq to put all Palestinian troops under its command.

The appeal was made last week during heavy fighting that caused an estimated 500 casualties in Jordan. The clash Sunday was the first reported since a cease-fire between the army and the guerrillas went into effect Thursday.

At the United Nations, diplomats are pegging their hopes for a continuation of the Middle East cease-fire on the chance that private talks among the Big Four and foreign ministers of Israel and the Arab countries will get the derailed peace talks back on the track.

Israeli Premier Golda Meir's visit to Washington and her planned meeting with President Nixon Friday are seen as keys to the possibility of resuming talks.

Israel has been boycotting the indirect talks since it and the United States charged Egypt with violating the cease-fire by moving anti-aircraft missiles into the Suez Canal zone.

There also is concern at the United Nations that the Middle East crisis can be further inflamed by guerrilla hijackings of airliners such as occurred last week.

# Terms Ticket in November a Nightmare

LITTLE ROCK (AP)—Walter Carruth of Lexa termed the Democratic ticket in November a "nightmare" during a convention here Saturday of the American Party in Arkansas.

Carruth, who is the APA's candidate for governor, was referring to Democratic Party Chairman Charles Matthews' statement that the party's nomination of Dale Bumpers of Charleston and Dr. Bob Riley of Arkadelphia was a "dream ticket."

"It's more like a nightmare if you stop and think about it," Carruth told a group of about 75 APA members.

Carruth told the convention that the Democratic candidates and the Republican candidates — Gov. Winthrop Rockefeller and Sterling Cockrill Jr. — represent the philosophy of the northeastern United States.

He said that a line clearly separates the conservative voters who support the principles defended by the American party and other ideas supported by Bumpers and Rockefeller.

During the meeting the proposed new constitution was sharply rapped.

John Norman Warnock of Camden, the party's candidate for attorney general, said that omissions and inclusions in the document, if adopted, could lead to additional federal intervention in state affairs.

The keynote speaker was John F. Wells of Little Rock, a publisher and former newspaperman, who said the Arkansas Council on Human Relations is "at the bottom of all the racial troubles in Arkansas cities."

He said the council has few members and little money raised locally, but is supported by grants from foundations, and to keep the grants coming "must always have some sort of agitation going ..."

Both Wells and Warnock sharply criticized the University of Arkansas for inviting attorney William Kunstler to speak in the Symposium 70 series.

will have only a Democratic gubernatorial runoff between Tulsa attorney David Hall, who led a four-man field Aug. 23, and Bryce Baggett, an Oklahoma City state senator.

One of the Catholic clergy candidates, the Rev. John White, is one of four Democrats seeking nomination to the post being vacated by House Speaker John W. McCormack of Massachusetts. Louise Day Hicks, 52, controversial member of the Boston city council, is heavily favored.

The priest who's gotten the most national attention is the Rev. Robert F. Drinan, a bustling 49-year-old Jesuit who is dean of Boston College Law School. He is campaigning as a "peace" candidate and is given a good chance of wresting the Democratic nomination from incumbent Rep. Philip J. Philbin, 72, who has served since 1942.

The other priest candidate is the Rev. John J. McLaughlin, 43, also a Jesuit, who is the only candidate for Republican nomination in Rhode Island to oppose Democrat Pastore—and he admits it's an uphill fight.

Phnom Penh. The 50-mile segment has been in enemy hands for three months.

Although an amphibious force broke the siege of Kompong Thom last Wednesday in a strike up a flood swollen river from Cambodia's huge lake of Tonle Sap, success of the entire operation would be judged on the government's ability to re-open route 6 and retake more than 1,000 square miles of rich rice and food producing area.

In other battlefield action:

—The North Vietnamese kept up their siege of Fire Base O'Reilly in the northern quarter of South Vietnam despite an eighth straight day of heavy air strikes by American bombers. Enemy gunners poured more than 100 rounds of mortar shells into the base near the Laotian border and South Vietnamese positions around it and clashed with government infantrymen Sunday.

—The U.S. Command said activity across South Vietnam had increased slightly Sunday with a 2½-hour fight 60 miles northeast of Saigon and four brief clashes in the central highlands and northernmost quarter of South Vietnam. Headquarters said 21 enemy and five Americans were killed and eleven Americans wounded in the five clashes.

—In Laos, a government military offensive near the Plain of Jars was reported bogged down because of heavy rains that have hampered American bombers supporting the government forces.

The U.S. Command in Saigon announced today more cutbacks in American forces and said troop strength has dropped to 396,300, the lowest level since January 1967.

The commission recommended stronger peacekeeping machinery, tougher international laws on hijackings and action "against criminal traffic in drugs and the abuse of narcotics."

Lodge further indicated the possible need for new rules and institutions to protect the air and waters from pollution.

## Donna In Top 10 in Miss America Meet

By G.G. LABELLE

Associated Press Writer

ATLANTIC CITY, N.J. (AP)

— The new Miss America sees herself as a spokesman for the young people of the United States and she thinks they are a wholesome lot.

The brunette beauty queen, 21-year-old Phyllis George of Denton, Tex., says she believes 95 per cent of the nation's youth are "on a straight line and only 5 per cent are involved with drugs and violence."

Asked what her message to youth would be, she replied, "I have learned that the way to get something done is not through violence."

Miss George said "civil rioting" is the nation's most pressing problem. Asked about the war in Vietnam, she said the public should support the men fighting there.

"I have many friends over in Vietnam," she added. "One just came back and he lost a leg. He told me the morale is great but that the men are affected by the demonstrations at home."

Miss George was asked whether she had taken part in any campus activities on Vietnam Moratorium Day.

"No, I had a test that day," she answered. "More than likely I would have gone if I didn't have a test."

The brown-eyed Miss America, crowned Saturday night, receives a \$10,000 scholarship for winning. She was a junior majoring in elementary education and speech at North Texas State University in her hometown during the last school term. She had planned to study at Texas Christian University this fall, but her reign as Miss American will delay her studies.

Miss George, who has a 36-23-36 figure, hopes for a career in broadcasting. Her talent presentation at the pageant was a piano solo of "Rain Drops Keep Fallin' On My Head."

Asked her opinions on fashion, the beauty queen said she liked gaucho pants and would wear midskirts because they are fashionable.

And what about minis? "I guess if I can show my legs to a million people I can wear minis," she said with a smile.

## Television and Radio

By CYNTHIA LOWRY

AP Television-Radio Writer

NEW YORK (AP) — "The Senator," a new segment of NBC's tripartite series "The Bold Ones," made its debut Sunday night with an action story combined with a point of view.

Hal Holbrook plays a dream senator—wide, brave, middle-of-the-road, happily married, concerned and understanding of problems of the day. In the premiere the senator was booked for a speech at a college where there had been student unrest.

He planned to speak on "the uses of dissent" and received an anonymous telephone threat on his life if he filled the date. The rest of the hour was primarily concerned with police efforts to protect him. But it was also a study of various reactions to the threat. There was some almost incidental counterpoint about life in high political echelons—a call from the White House about a pending vote, a news conference in which he fielded hostile questions. There was some mention—it came close to editorializing—of such subjects as student demonstrations and the controversial "no knock" provisions of the Washington D.C. crime law.

If the senator's impulse to sermonize can be slightly curbed and the writers make him a bit more human, "The Senator" will be an attractive and substantial addition to the network schedule. NBC's adaptation of the Broadway musical "George M." on Saturday night was an elaborate, 90-minute production that never got off the ground. The problem was format, not performers.

The idea was that a group of actors were rehearsing a musical play based on the life of actor-writer-producer George M. Cohan. They would talk a bit about the man and then slide into the song and dance numbers.

None of the characters seemed to be even remotely real, not even Joel Gray in the title role. Some of the dancing and singing numbers were attractive and Gray was a joy to watch when he danced. Generally, it was a lumbering vehicle used as a peg for another of those "and then he wrote" tributes of the sort Ed Sullivan does in a no-nonsense way from time to time.

### FIGHT FIRE WITH IRE?

Dear Helen: We are a young couple with two lovely children. On our block are a couple of women gossips who are spreading lies about me.

They say I am indecent because I sunbathe in my two piece swim suit which is not even a bikini, and they think it's just terrible that my husband lies out in the yard beside me, holding my hand. When they happened to see (spy) him kissing me once in front of our children, will THAT tore it. Now I'm a depraved woman, and they're spreading the rumor around that our older daughter isn't my husband's.

She came home in tears the other day because one of the girls at school teased her about it. I traced the lie back to the gossips.

How do you put them in their place? — D.E.

Dear D.: Amused pity can send gossips back to their cages fast. Start collecting their rumors and don't miss a chance to puncture them...such as: "It's really mean to laugh at those poor things, but do you know what they're saying NOW?" And then give the true facts.

...Which should take the chat out of the old bags. — H.

Dear Helen:

I had to go to the pound last week to look for a new pet. It was heartbreaking, Helen. So many of those poor animals were headed for the gas chamber. They sit there and beg you for affection—and you know they already have a death sentence.

Dear Helen: I had to go to the pound last week to look for a new pet. It was heartbreaking, Helen. So many of those poor animals were headed for the gas chamber. They sit there and beg you for affection—and you know they already have a death sentence.

In our town there is a half-price service for neutering cats and dogs—but only people on welfare can apply. Otherwise, the cost is an average \$35 for

spaying females and \$15 for fixing males. And many people just won't or can't pay that much!

It seems to me that the city might save money if it would provide a free neutering service for animals—and insist that owners use it, unless they're breeding for sales or specific give-aways. Think of the savings in pound facilities and personnel.

Why don't city councils explore the idea? — SOFT HEARTED Dear S.H.:

City councils, take note. The idea is certainly worthy of discussion. — H.

Dear Helen: Who says infidelity helps a marriage? In a drunken stupor I made a fool of myself, and my husband caught me. You see, I'd been reading these "modern" versions of marriage, and I guess I thought everybody does, so why not try it?

Well, my husband thought differently, and I know now what a fool I was. He walked out. I'm too ashamed to beg him back.

Our children, who are especially close to their father, realize without being told that I'm to blame. I can feel the barrier building.

All the hard work we did to make our marriage one of the best is gone with my one crazy "fling." The money we saved for our dream house is being spent to pay bills and lawyers.

I've lost my husband's love, his family's respect, my children's loyalty, and worst of all, I hate myself. All this plus possible trouble from the man's wife.

I'll pay a lifetime for a one-night conquest I didn't even want. How can I live with this? — SORRY TOO LATE Dear Sorry:

It isn't too late! One mistake can't ruin a good marriage. Forget the lawyers and "beg your husband back." I think he's waiting for your call. — H.

## Out-executed by Stanford, Broyles Says

LITTLE ROCK (AP) — Arkansas Coach Frank Broyles said Sunday that the Razorbacks were "out-executed" in Saturday night's 34-20 loss to the Stanford Indians.

Broyles said the Razorbacks were determined to rush Stanford quarterback Jim Plunkett and the Indians "knew we were."

"They avoided our rush by dumping the ball to their backs," Broyles said. "Our deep men couldn't come up because he might fake and throw deep."

Running backs Jackie Brown and Hillary Shockley were on the receiving end of 13 of Plunkett's 21 completions.

"So we were forced to make some changes," Broyles said. "When you do that some of the boys are going to make mistakes. Some of them are going to be playing what we practiced for two weeks and others are going to be playing what we changed to."

Broyles said Plunkett's quick release troubled the Razorbacks.

"When the rush was on, he would throw on the second or third step," Broyles said.

The Arkansas coach said the fact that the Razorbacks rallied from a 27-0 deficit and still had an opportunity to win indicated that Arkansas "can still have a good football team."

Broyles said that Stanford linebacker Jeff Siemon made the game's biggest play when he stopped Arkansas tailback Bill Burnett cold on third down at the Stanford five with less than a minute left.

"Burnett always twists and turns around the goal line," Broyles said. "It's hard to get him down without a gain. But they hit him head-on and he went down."

"We had some breakdowns, but a good football team will make you break down," Broyles said. He said Arkansas' defensive coaches had been concerned because Stanford had "so many formations we would have some busted assignments."

The loss to Stanford was the Razorbacks' third consecutive loss—their longest losing streak since Broyles arrived at Fayetteville in 1958.

On Jan. 1, in the Sugar Bowl, Arkansas lost 27-22 to Mississippi and on Dec. 6 the Razorbacks dropped a 15-14 thriller to Texas.

"I'd rather lose the first one than the last one," Broyles said half-jokingly. "We've done that before and it stays with you for nine months."

## Trinity Only Southland Team to Win

By THE ASSOCIATED PRESS  
Trinity, the only Southland Conference team to successfully launch its football season during the weekend, gets a severe test in trying to win No. 2 this week—the Tigers tangle with National small college champion Texas A&M.

Other games coming up this weekend include Abilene Christian at East Texas State, the 1969 Lone Star Conference champion; Arkansas State at Wichita State; and West Texas State at Lamar Tech.

The Tigers clubbed Whitewater State University, Wis. 35-10 in its season lift-lifted Saturday but Abilene Christian and UT-Arlington were on the wrong end of the ledger.

## Cubs Within Game of 1st Place Team

By DICK COUCH  
Associated Press Sports Writer  
Danny Murtaugh and Steve Blass were just a handshake away—when Matty Alou let the Chicago Cubs slip through his fingers.

Alou, Pittsburgh's usually sure-handed center fielder, muffed a fly ball with two out in the ninth inning Sunday and the Cubs went on to kayo Blass and score two quick runs for a 3-2 victory that tightened the three-team scramble for the National League's elusive East Division title.

The sudden turnabout carried the third-place Cubs within one game of the first place Pirates and within one-half game of the runner-up New York Mets, who lost 5-4 to St. Louis on Joe Torre's 13th inning homer. It also caught Murtaugh, the Pirates' manager, with his hand outstretched.

"To tell you the truth," he said, "I was stepping out of the dugout to shake Steve's hand."

Blass led 2-1 and was one out away from a five-hit victory when Alou dropped pinch-hitter Willie Smith's short fly for a two-base error. Don Kessinger laced a run-scoring single on the next pitch to tie the game, took second on Glenn Beckert's first-pitch single—which finished the shaken Blass—and scored the winner on Billy Williams' second-pitch single off reliever George Brunet.

"I should have caught the ball," said Alou, fighting back tears in the Pirates' quiet clubhouse. "I knew the wind was blowing in, but I should have caught the ball."

"I'm not about to criticize Matty," said Blass, who wound up with his 12th loss in 21 decisions. "He's saved me a thousand times. I still had a chance to get Matty off the hook if I had gotten Kessinger, but I didn't do it."

Elsewhere, San Diego stunned Cincinnati's runaway West Division leader for the third straight time, 5-4; Los Angeles downed San Francisco 5-3 in 10 innings; Montreal topped Philadelphia 4-2 and Houston drubbed Atlanta 10-6.

In the American League, Baltimore bounced Boston 13-2; the Chicago White Sox upended Minnesota 8-7; California shaded Milwaukee 2-1; Cleveland beat the New York Yankees 3-1; Washington smothered Detroit 10-0 and Kansas City swept an extra-inning doubleheader from Oakland, 8-7 in 11 innings and 8-7 in 12.

Leo Durocher was in a jovial mood after his Cubs' comeback from behind victory, exclaiming: "I'm more glad we won it that way than if we'd won it 10-0. What a lift it gives the club."

"We've won some like that and we've lost some," said Murtaugh, "but we've always bounced back."

"Ours was as difficult to lose as theirs," Mets Manager Gil Hodges said in New York after his club blew a chance to grab the division lead. "We went 13 innings."

Torre, who had struck out three times, won it for St. Louis with a leadoff homer in the 13th off Ron Herbel, the Mets' fourth pitcher.

St. Louis relievers Nelson Briles, Frank Bertina and Frank Linzy, the winner, combined to retire the last 22 Met batters in order after a sixth inning single by Cleon Jones.

Joe Hague drove in the Cards' first four runs with a homer and a single.

Pete Rose's 14th home gave the Reds a 4-3 lead in the eighth inning at San Diego, but the Padres bounced back in their half on a two-run pinch-double by Larry Stahl and took the season series 10-8.

Tom Halter pinch-hit a three-run homer in the 10th, breaking a 1-1 deadlock at San Francisco, and the Dodgers, ending a five-game losing streak, added another run before the Giants rallied for a pair in the bottom of the inning.

The Expos scored twice in the eighth on Rusty Staub's single, a fielder's choice, a throwing error by pitcher Joe Hoerner and Ron Brand's sacrifice fly to break a 2-2 tie and hand the Phillies their fifth straight setback.

Cesar Nedeo's two-run double and two Atlanta errors keyed a six-run first inning burst that carried the Astros past the Braves.

## Nicklaus' Winnings \$200,000

By BOB GREEN

AKRON, Ohio (AP) — The big guy with the golden name sat there and looked positively embarrassed, a sheepish grin crossing his face when someone informed him he had averaged almost \$200,000 a round for his six appearances in the World Series of Golf.

"Is that so?" replied Jack Nicklaus, who then shrugged.

Nicklaus appeared on the verge of collapse in the front nine over the 7,100-yard Firestone Country Club course Sunday in the final round of the World Series.

In those nine holes he had recorded four bogeys, missed three fairways and five greens, was in four traps and missed five putts under nine feet.

And Dave Stockton, the 28-year-old PGA champion, had pulled into a tie with him in the chase for the \$50,000 first prize in this event that brings together the holders of the world's four major championships—the Masters, PGA, U.S. and British Opens.

"I was terrible on that front nine," Nicklaus said. "Just terrible."

"I began to think I wasn't going to win it and I thought, 'I've got to get started, got to get some momentum, got to get it going.'"

He did with three consecutive clutch putts starting on the 13th. Nicklaus birdied that one from 15 feet, rolled in another from 17 feet on the next hole and saved par with an 18-footer on the 15th.

He also birdied the 17th from 12 feet and finished with a par 70 for 136 and a three-stroke margin over Stockton and Masters champion Billy Casper, tied for second at 139. Each won \$11,250.

Casper had a final round 68 and Stockton a 70. Tony Jacklin, the young Englishman who holds the U.S. Open crown, also had a 70 for 141 and picked up \$5,000.

The victory pushed Nicklaus' winnings for the year to almost \$200,000, but the \$50,000 does not count on the money list since it is considered an exhibition by the PGA.

Nicklaus now has won more than \$226,000 in six World Series appearances.

"I always aim for the four major championships," Nicklaus said as he started to explain his feeling about this tournament. "Winning one of those is a condition for getting in this tournament."

"Now, if you can win this one, beat the other three guys who have won major championships, well, I feel like you've proven something. It gives me a great deal of personal satisfaction."

"It's not the same as beating a world field in, say, the U.S. or British Opens. But when you beat the best, it gives you a good feeling."

Jacklin and Casper never threatened seriously and Casper made a mild complaint about the galleries.

"They seemed to think I wasn't in the tournament," Casper said. "They weren't ready for me to play. I'm a fast player and when I was ready to hit the ball, they were still moving around. I had to wait several times."

Stockton said he was "very pleased with my play here. I thought I played well enough to deserve a tie for second."

"Well," said Jacklin, "it's just money. I'd just have spent it anyhow."

## SWC Teams Split Even in Openers

By MICHAEL A. LUTZ  
Associated Press Writer

A word of caution to Texas Christian, Texas A&M and Texas Tech: Better hang in there, the fun's over.

After successfully carrying the Southwest Conference colors in the role of favorites in last Saturday's football inaugural, these three teams hit the road this weekend for a killer slate that includes Tech at Kansas, A&M at LSU and TCU at Purdue.

Nor is the draw any easier for the rest of the league teams. Southern Methodist is at Tennessee; California is at Texas; Baylor is at Army; Virginia Military Institute is at Rice; and Oklahoma State is at Arkansas.

For the Aggies, it's just the beginning match with LSU, they play top ranked Ohio State and Michigan, both on the road, before getting into SWC play.

"By about 1980, I'll be able to make somebody a good schedule," said Aggie head coach Gene Stallings. "This is not one."

Although Saturday's first round of games was not a resounding success for SWC teams—they split even in six openers—it had to be satisfying for the victors.

Texas Tech got "The Carlen Era" off to a titillating start with a 21-14 come-from-behind victory over improved Tulane in Jim Carlen's first game as head coach.

The Aggies' sophomore horde clobbered Wichita State 41-14 and Texas Christian won the "Tarrant County championship" in a 31-7 victory over University of Texas at Arlington.

On the other side of the ledger, the big shocker, of course, was Arkansas' 34-28 loss to 10th ranked Stanford.

Southern Methodist sputtered offensively in losing 28-11 to Oklahoma and Baylor started the whole thing Friday night with a 38-0 loss to Missouri.

Arkansas, ranked fourth in the nation, watched Stanford pile up a 27-0 lead midway through the second quarter before it went to work.

Stanford quarterback Jim Plunkett rattled the Hogs' defenses with 21 completions in 38 attempts for 245 yards.

While Plunkett took the lime-light, Arkansas quarterback Bill Montgomery was getting booed for the early Arkansas fizzle.

Montgomery finally put it together, scoring on a three yard drive passing 37 yards to Richardson and 8 yards to Chuck Dicus for touchdowns. The Hogs drove to the Stanford four-yard-line down by inches as time ran out in the game.

Arkansas Coach Frank Broyles said "We were proud to play them and wish we could have won. That one's over and we have 10 more to go."

Texas Tech's Red Raiders put on a gutsy, pulsating performance before the record, 43,250 opening game crowd in Jones Stadium—and quarterback Charles Napper led the charge.

After Tech defensive back Ken Perkins raced 46 yards for a touchdown with an intercepted pass to knot the count at 14-14 Napper engineered the winning touchdown drive of 47 yards, covering the final 13 yards himself with four minutes left.

The Aggies made short work of the Shockers in rolling up a school offensive record of 550 yards. Stallings pulled his starters after A&M moved to a 24-7 lead in the third period. Sophomore quarterback Lex James directed the attack with seven completions for 167 yards.

Texas Christian got a pleasant surprise from Bobby Davis, who racked up an amazing 247 yards in 18 carries—the third best single game effort by a back in SWC history. Bob Smith got 287 yards for A&M against SMU in 1950 and Rice's Dick Maegle got 265 yards against Alabama in 1954.

Although he set an NCAA passing record of 506 completions, SMU quarterback Chuck Hixon didn't have an outstanding game against the Sooners. Asked if it was his poorest game Hixon said "I guess, Coach Fry said it was."

The event is sponsored jointly by boosters in Texarkana, Ashdown, Hope, Nashville and DeQueen and the guaranteed purse is \$14,900.

In the individual Division first place is \$1,500 and a three day trip to Las Vegas. Second place is \$1,000 and the next eight places range from \$500 down to \$200 for 10th. The next 10 places will receive \$100 each in merchandise and certificates.

First place in the two-man team is \$1,000 then \$750 on down to \$200 for fifth. The next five place get \$100 certificates and merchandise and the following 10 places will receive \$50.

The grand prize for the big bass of the tournament is a new 14' custom fiberglass Gator Boat and a 1000-lb Yarrowborough boat trailer.

The entrance fee is \$100 for individual and \$50 for each two-man team. For a complete set of rules mail your entry fee to American Anglers Association, Rt. 4, San Augustine, Texas 75972, listing name and address, city, state, zip and phone number.

In connection with the event there will be a Miss American Angler contest. Girls between the ages of 16 and 26 are eligible. Just mail pictures and some personal information to the Chamber of Commerce at Texarkana.

## Namath Has Old Form in Jet Victory

By ED SCHUYLER JR.  
Associated Press Sports Writer

Joe Namath, a late reporter, helped close out the National Football League exhibition season in the kind of form the New York Jets hope will get them off to a fast start in regular-season play.

Namath, who was late reporting to training camp because of personal problems, looked sharp Sunday night in guiding the Jets to a 29-21 victory over the Dallas Cowboys in the Cotton Bowl.

The Houston Oilers whipped the Philadelphia Eagles 26-7 in the only other game on the final day of the exhibition season.

Play for keeps starts next Friday night when the St. Louis Cardinals play the Rams in Los Angeles.

In Saturday night's games, Pittsburgh topped Oakland 20-6, Los Angeles edged San Francisco 17-14, Washington downed Baltimore 17-14, Cleveland shaded the New York Giants 30-29, St. Louis upended Kansas City 34-24, Detroit whipped Cincinnati 31-14, Atlanta outlasted Miami 20-17, Green Bay trounced Buffalo 34-0 and New Orleans beat San Diego 20-14.

Namath completed 10-of-21 passes for 251 yards and two touchdowns in the Jets' victory. He hooked up with rookie Richard Caster for 73 yards on his second scoring strike to put the Jets ahead 26-21 in the third quarter after Roger Staubach had come off the bench to lead the Cowboys back from a 19-7 halftime deficit.

Namath played until midway in the fourth quarter. In his half of play, Staubach hit on 10-of-20 passes for 142 yards and one touchdown.

In the game at Philadelphia, Houston's Charlie Johnson completed 13 of 22 passes for 199 yards and a touchdown and the Oilers' defense stopped Philadelphia cold until about midway in the fourth quarter.

Rookie quarterback Terry Bradshaw threw two touchdown passes in Pittsburgh's victory over San Diego.

Alvin Haymond set up a touchdown by returning the opening kickoff 70 yards, Eddie Meador set up another with a pass interception and David Ray kicked a field goal in Los Angeles' victory over San Francisco that left the Rams with the only 5-0 preseason record.

Washington beat Baltimore for the first time since 1959 as Sonny Jurgensen fired a fourth-quarter touchdown pass.

Cleveland squeaked by the Giants on Don Cockroft's 31-yard field goal with four seconds left after the Giants had gone ahead about a minute earlier on Fran Tarkenton's scoring pass.

MacArthur Lane sparked St. Louis' victory over Kansas City by catching passes for two touchdowns and running for another.

Larry Walton grabbed a pair of touchdown passes and the De-

## October 10 Is D Day for Stanford

By HERSCHEL HENSEN  
Associated Press Sports Writer

If you're a college football fan, a good place to be on Oct. 10 is Stanford, Calif. That's the day Southern California comes to town for a game with the Indians that almost surely will decide the Pacific-8's champion and Rose Bowl representative and probably a high national ranking as well.

Both California powers opened their seasons Saturday with impressive victories. Stanford, ranked 10th in The Associated Press preseason poll, gave a national television audience a good look at rifle-armed Jim Plunkett and toppled fourth-ranked Arkansas 34-28.

Southern Cal, rated third, sent Sam Cunningham and a host of other relentless runners crashing through the once-proud defense of 10th-ranked Alabama for 465 yards and a 42-21 pounding.

The only other Top Twenty team to lose was No. 17 South Carolina, which bowed 23-20 to Georgia Tech. Nebraska, No. 9, trounced Wake Forest 36-12; 14th-rated Kansas State ripped Utah State 37-0; No. 15 Florida held off Duke 21-19; 18th-ranked UCLA rallied to beat Oregon State 14-9; Oklahoma, tied for 20th, knocked off Southern Methodist 28-11 and West Virginia, another No. 20, blasted William & Mary 43-7.

Missouri, ranked 11th, swamped Baylor Friday night 38-0 in the first major game of the season and the rest of the Top Twenty—there was a three-way tie for 20th—weren't scheduled.

Coch John Ralston of Stanford had predicted before the Arkansas clash that "defense will be the key to it ... as in every game." It didn't look as though the forecast would stand up while Plunkett was riddling the Arkansas defense for 21 completions and 245 yards as the Indians piled up a 27-0 lead.

But the losers' quarterback, Bill Montgomery, got hot and it took two defensive gems by the Indians at their own five-yard line in the final minute to seal the triumph. First, Jeff Siemon stopped Bill Burnett cold with less than two yards to go, then Mike Simone gave Montgomery the same treatment.

Nebraska combined the passing of Jerry Tagge and the running of Joe Orduna, who missed last season with an injury, to crush Wake Forest. Missouri's Joe Moore rambled for 171 yards and a touchdown and passed 72 yards to Mel Gray for another score as the Tigers, who usually aren't impressive in opening games, routed Baylor.

Kansas State turned blocked punts by defensive end Mike Kuhn into a safety and touchdown and hammered Utah State despite the subpar performance of quarterback Lynn Dickey.

Florida's John Reeves-to-Carlos Alvarez aerial attack produced only four completions but Tommy Durrance barreled over for two TDs as the Gators outlasted Duke's trigger-armed Leo Hart. Alvarez, by the way, returned a punt 67 yards for a touchdown.

Sophomore Eddie McAshan, first black quarterback at a major school in the Deep South, engineered two second-half scoring drives as Georgia Tech came from behind to trip South Carolina.

UCLA's Dennis Dummit, lacking a running attack to take the pressure off his passing with a flashy Mickey Curreton out for

the season, hit Bob Christiansen with scoring passes of nine and 26 yards in the third period to wipe out a 9-0 deficit.

SMU's Chuck Hixson completed 24 passes for a national career mark of 506 but couldn't prevent the loss to Oklahoma. West Virginia, with some solid runners, had little trouble with either William or Mary.

It was difficult to tell that this is supposed to be the Year of the Quarterback as Texas Christian's Bobby Davis ran for 247 yards and paced a 31-7 win over Texas-Arlington; Dayton's Tony Vitale gained 217 yards and running mate Gary Fosin picked up 181 and scored five times as the Flyers walloped Xavier 45-22; North Carolina's Don McCauley accounted for 160 as the Tar Heels turned back Kentucky 20-10 and Southern Cal's Sam Cunningham plowed through Alabama for 135 in only 12 carries.

Elsewhere, Army spoiled Holy Cross' return to the gridiron after losing most of 1969 to hepatitis with a 26-0 triumph; Navy's touted newcomers and senior quarterback Mike McNaillen helped power the Middles past Colgate 48-22; Virginia stunned Virginia Tech 7-0; Kansas outscored Washington State 48-31; Texas Tech overtook Tulane 21-14 and Oregon scored a late TD to beat California 31-24.

## Grand Slam May Never Be Duplicated

By WILL GRIMSLEY

AP Special Correspondent

FOREST HILLS, N.Y. (AP)

The men's grand slam may never be duplicated again in this age of big money and high-pressure tennis, says the new U.S. Open champion, Ken Rosewall.

"I don't say it's impossible for one man to win the four major championships again, but I think it is very unlikely," the 35-year-old Sydney stylist said after beating another Australian, Tony Roche, in the men's final Sunday, 2-6, 6-4, 7-6, 6-3.

"There are so many good players these days, and they're breathing down your neck all the time," the littlest professional added. "Take the case of Rod Laver. He was playing great before coming into this tournament. Then he runs into Dennis Ralston, playing very well, and—boom—Rod is out of it."

"It would really be a feat for a man to make the grand slam under the present conditions."

Laver won the grand slam—a sweep of the Australian, French, Wimbledon and U.S. championships—twice, first as an amateur in 1962 and then as a professional last year. This year, although still rated No. 1 among the world's pros, he won none.

Most of the contract pros skipped the Australian and French titles because of a dispute over prize money. John Newcombe won Wimbledon, beating Rosewall in the final, and now Rosewall is U.S. champion again—after a break of 16 years.

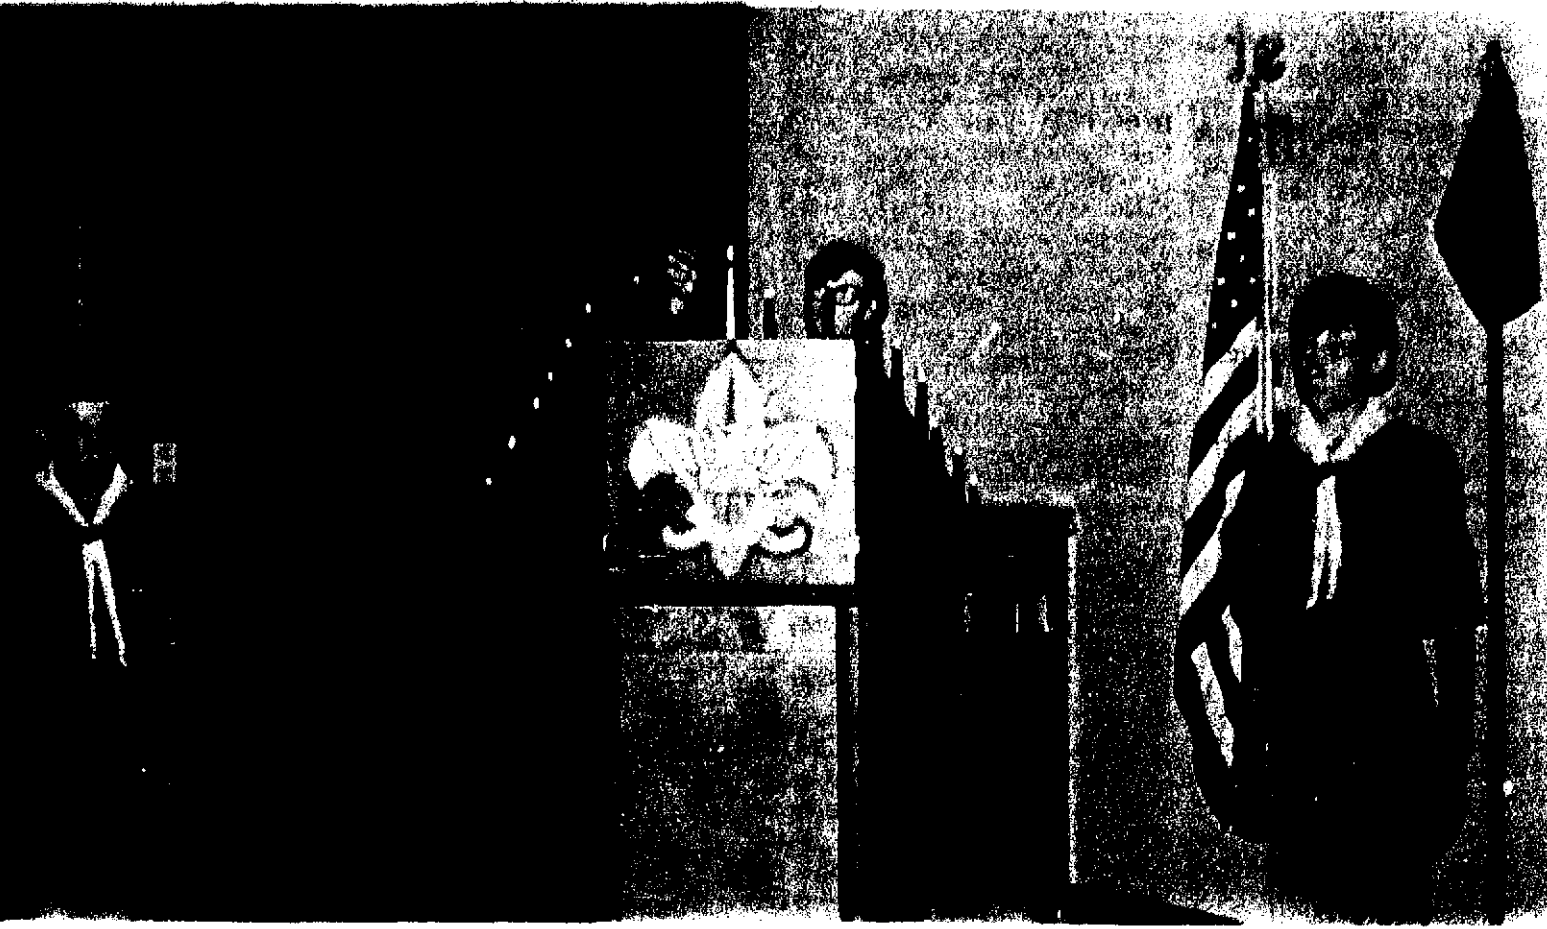

He won the U.S. title at the age of 21 in 1956.

"I doubt if anyone will ever win a big title that many years apart again either," Rosewall said.

Don Budge is the only other player in history to win a men's grand slam. He did it in 1938.

Margaret Court, a tall, athletically-built country girl from Albury, Australia, scored the second women's grand slam Sunday by whipping little Rosemary Casals of San Francisco in the women's final, 6-2, 2-6, 6-1.

## Boy Scouts Hold a Court of Honor

On Saturday, Sept. 6, BSA Troop 91 held its first court of honor at the Presbyterian Church. Six boys advanced to 2nd Class Scout, one to 1st class and one advanced to Star. These boys are led by Scoutmaster Harold Sisson. The Court of Honor was followed by an ice cream supper.

Junior Scoutmaster Larry Patton lights the last candle representing all boys advancing in rank Sat. night. On the left is 2nd Class Scout Robert Gibson and on the right is 1st Class Scout and Senior Assistant Patrol Leader Paul Patton.

Scoutmaster Harold Sisson is helped by District Scout Executive Tom Berry in the promotion of 2nd Class Scouts as their mothers look over their shoulders. From

left to right they are: Tim Arnold and mother; David Sewell; Jim Stewart and mother; Ricky Sisson and mother; Ricky Ackerson and mother; and Robert Gibson.

Master Sergeant Albert H. Patton awards his sons Larry and Paul their new ranks of Star and 1st class respectively as their mother and Brother Sewell look on.

Above are the Adult leaders connected with Troop 91. M. Sgt. Patton assists whenever his duties allow him time home and will be taking over the Explorer Post 9 upon his retirement. Tom Berry is the District Scout Executive, Harold Sisson is the Scoutmaster and Brother Sewell is a committeeman. Present but not in the picture was Brother Tommy Simmons who is merit badge counselor.

age 18 and over. Prepare now for these tests U.S. Civil Service job openings during the next 12 months.

Government positions pay high starting salaries. They provide much greater security than private employment and excellent opportunity for advancement. Many positions require little or no specialized education or experience.

But to get one of these jobs, you must pass a test. The competition is keen and in some cases only one out of five pass. Lincoln Service has helped

thousands prepare for these tests every year since 1948. It is one of the largest and oldest privately owned schools of its kind and is not connected with the Government.

Impact of Threatened Auto Strike

By THE ASSOCIATED PRESS

The United Auto Workers plans to strike General Motors at midnight tonight unless a new contract can be negotiated by then. Here at a glance is a rundown on the impact a strike against the world's largest manufacturing concern would have with auto assembly plants shut down and parts plants left in operation: WORKERS: At least 344,000 hourly rated GM workers would be idled in the United States and Canada. PLANTS: GM has 119 plants in 18 states and 69 cities. The UAW says 27 GM plants would be exempted from the strike. DEALERS: GM has 13,600. SUPPLIERS TO GM: The pinch would be felt by GM's 39,000 suppliers, with which it spent \$11.5 billion for goods and services last year. STEEL: GM consumes more than 10 per cent of America's steel production. GM THE SUPPLIER: The firm is a major parts supplier to the other automakers as well as the supplier for its own automobiles. However, its parts plants would be left in operation. OTHER GM PRODUCTS: The firm is the nation's largest builder of diesel engines for industrial and truck use and is a major builder of railroad locomotives and giant earthmoving machines. It also produces appliances, including Frigidaire refrigerators. DEFENSE-SPACE: Last year GM's defense and space work totaled \$699.5 million. SALES-PROFITS: 5,259,652 GM cars and trucks were sold last year. GM's total sales were \$24.295 billion, profits \$1.71 billion. TAXES: GM paid \$1.743 billion in U.S. and foreign income taxes last year and another \$793.4 million in state, local and Social Security taxes. ## Auto Workers Have Picked GM to Strike

By **LOWELL MCKIRGAN**  
Associated Press Writer  
DETROIT (AP) — A strike against General Motors seemed a certainty today, as negotiators for both the mammoth corporation and the United Auto Workers claimed the other side was inflexible.

Negotiations at GM were scheduled to resume at 10 a.m. EST, just 14 hours before the midnight strike deadline.

GM was chosen by the UAW Sunday as its strike target if no agreement was reached.

The union and GM met for two hours Sunday and each side termed the meeting "unproductive." They said there was plenty of time to reach a settlement today, but each insisted the other should make the first concession.

The strike would idle some 344,000 union members in 145 locals in the United States and Canada. Members of 27 locals were exempted from strike action because their facilities supply Ford and Chrysler which were eliminated as national strike targets.

"It is quite certain a strike will begin in U.S. and Canadian plants at midnight Monday," UAW President Leonard Woodcock said at the conclusion of the meeting with GM Sunday.

Earl Bramblett, GM's top negotiator, said "the UAW always starts with fantastic demands" and "this year the demands are more fantastic and vague than usual."

The 25-member UAW International Executive Board Sunday eliminated Chrysler as a strike target.

Woodcock said the action was taken because Chrysler had indicated it was not a "free agent" in bargaining. He said GM appeared to be holding the final answers for a pattern-setting pact.

Production at Ford and Chrysler would not be affected by a strike. Ford, struck for seven weeks in 1967, was eliminated as a strike target on Sept. 2.

Woodcock said it was felt Chrysler was simply following the lead of GM in the talks.

Woodcock said he did not anticipate any move by the Nixon administration to invoke provisions of the Taft-Hartley Act to avert a strike. He said there was no problem of grave national concern involved in the talks.

## County Now Has 1,790 War Veterans

There are 1,790 veterans in Hempstead Co. and 214,000 in Arkansas, according to Veterans Administration figures released today based on America's 27.3 million former servicemen as of the beginning of 1970.

According to the latest available figures, some 190 Hempstead County and 27,000 Arkansas veterans were in service during the Vietnam Era—that is after Aug. 4, 1964. Of these none Hempstead Co. and 1,000 Arkansas veterans also served during the Korean Conflict.

World War II veterans make up the largest group of veterans with 1,080 from Hempstead Co. and 117,000 from Arkansas.

Of the 240 Hempstead Co. and 39,000 Arkansas Korean Conflict veterans, 60 and 10,000, respectively, also served in World War II.

Some 170 Hempstead Co. and 24,000 Arkansas veterans saw military service only between the Korean Conflict and the Vietnam Era (Feb. 1, 1955-Aug. 4, 1964).

Of 18,000 World War I veterans in Arkansas, 170 are from Hempstead County.

An estimated 75 of America's 5,000 Spanish-American War veterans live in Arkansas.

Veterans with questions on benefits were urged to contact their VA Office at 700 West Capitol, Little Rock, Arkansas 72201. Phone FR 2-4361. Those who served since Feb. 1, 1955, may be eligible for G.I. Bill training. Those who served since June 27, 1950, may be eligible for home loans.

## Man's Body Is Found in Field

PINE BLUFF, Ark. (AP) — The body of a Pine Bluff man was found late Sunday in a field about six miles west of here.

Authorities identified the victim as Harry E. Smith, 28. He had apparently been beaten to death, officers said.

Police said Smith apparently died late Saturday night or early Sunday. The investigation was continuing. No arrest had been made.

## Rail Strike Talks Report No Progress

WASHINGTON (AP) — Little progress was reported today in efforts to avert a nationwide railroad strike threatened by four AFL-CIO unions as of 12:01 a.m. Tuesday.

Labor Department spokesmen appeared glum as they fought to keep negotiations moving toward a settlement of the wage dispute.

Assistant Secretary of Labor W. J. Usery, the Nixon administration's top mediator, met over the weekend with officials from the unions and railroads, both privately and jointly.

"Everybody is conscious of the deadline," one Labor Department official said. "But I'm afraid there's not been much progress."

"There's always hope. But at this time there has not been as much action as would have been preferred."

At the least, however, both parties agreed to more talks today.

As a last-ditch effort to keep the trains moving, President Nixon could invoke a 60-day strike delay under the Railway Labor Act.

The dispute involves railroad clerks, trainmen, track maintenance workers and dining car employees. The unions want three-year wage hikes of 40 percent or more, cost-of-living pay and other benefits for 500,000 workers who now average \$3.50 an hour.

The United Transportation Union, which is involved in the midnight strike deadline, also has threatened a strike on Sept. 23 in a separate dispute over the elimination of locomotive firemen's jobs.

## Disturbances To Be Probed

LITTLE ROCK (AP) — The Arkansas Council on Human Relations voted Saturday for its Position Paper Committee to investigate disturbances in Earle and Blytheville.

During recent weeks racial disturbances have been reported in both towns.

Alan Patterson, council chairman said, "If the council doesn't go into a community like this and draw up position papers, then I don't know what the purpose of the council is."

## Gunfire at Earle Is Under Probe

EARLE, Ark. (AP)—Officials said Saturday that they are investigating a series of shots fired during a racial disturbance Thursday and the wounding of a Negro woman.

State Police Capt. Dwight D. Galloway said Saturday, "We intend to find out who did the shooting, if at all possible."

The incidents were sparked by a march on the city hall by a group of Negroes. The Negroes were stopped by about 30 white men, who began firing over their heads.

The marchers ran and were followed by unidentified white men and law officers who were preparing to arrest the marchers for violating a city ordinance that prohibited marching without a permit.

Trouble began at Earle Labor Day, when a group of Negroes walked out of the public schools. Twenty-six persons were arrested Tuesday in connection with the walkout.

## Cambodian Troops Are Pushed Back

By **JOHN T. WHEELER**  
Associated Press Writer  
PHNOM PENH (AP) — Enemy troops smashed the vanguard of the Cambodian government's first major offensive of the war today, forcing Cambodian soldiers back after an abortive attempt to recapture an important position in the country's heartland.

Enemy gunners fired more than 400 mortar shells into forward positions of the government soldiers in the village of Taing Kauk, 55 miles north of Phnom Penh, and followed the barrage with ground assaults and volleys of rocket grenades.

Forty Cambodian soldiers were killed and nearly 50 wounded in the attack that lasted from just after midnight until past dawn.

Communist losses were given by government commanders as 20 dead left on the battleground and an estimated 200 more dead and wounded carried away during the night.

The government operation was aimed at reopening 50 miles of Route 6 from Skoun to the provincial capital of Kompong Thom, 80 miles north of

## Primaries in 6 States on Tuesday

Six states hold primaries Tuesday with the big races a four-way—donnybrook for the Massachusetts Democratic nomination for governor and Sen. Joseph D. Tydings' renomination drive in Maryland.

At stake in the six states are five Senate seats and five governorships.

Added focus will be on three Roman Catholic priests running for Congress—one in Rhode Island and two in Massachusetts.

In the Massachusetts governor's race, Boston Mayor Kevin H. White, 44, and state Senate President Maurice A. Donahue, 59, the Democratic convention endorsed candidate, are running neck-and-neck. Polls disagree on the outcome.

Former Lt. Gov. Francis X. Bellotti, 46, and Kenneth P. Go'Donnell, 45, former aide to President John F. Kennedy are expected to trail. The winner will face Republican Gov. Francis W. Sargent, 55, who is unopposed in the primary. Sargent took office when John A. Volpe resigned to become secretary of transportation last November.

Of the five Senate races, interest will center on former Vice President Hubert H. Humphrey, starting his political comeback by trying to capture the seat being vacated by Democratic Sen. Eugene J. McCarthy in Minnesota.

Humphrey, who lost the 1968 presidential race, is expected to defeat his Senate challenger, Earl D. Craig Jr., 31, a Negro teacher at the University of Minnesota who has been campaigning on a shoestring budget.

Rep. Clark MacGregor, 48, now serving his fifth House term, faces nominal opposition for the Minnesota GOP Senate nomination from grocer John D. Baucom Jr., 34.

In the four other Senate races incumbent Democrats are expected to win renomination—Sens. Edward M. Kennedy in Massachusetts, Henry M. Jackson in Washington, Tydings in Maryland and John O. Pastore in Rhode Island.

Tydings' race against three opponents is of special interest because his is a GOP target seat. Republicans are expected to choose as his Nov. 3 opponent Rep. J. Glenn Beall Jr., 43, son of the man Tydings unseated in 1964.

## AP News Digest

By **THE ASSOCIATED PRESS**  
Fifth-five British, Swiss, West German and U.S. citizens remained hostages of Arab guerrillas today, and their captors said nothing short of their governments' "unconditional surrender" to ransom demands will gain their release. Meanwhile, in Tel Aviv, Israeli officials said 450 Arabs linked with the commandos were arrested, presumably to force the release of the 55.

PHNOM PENH (AP) — Enemy troops have smashed the vanguard of the Cambodian government's first major offensive of the war, forcing Cambodian soldiers back after an abortive attempt to recover important territory in the country's heartland.

Palestinian guerrillas and Jordanian troops clashed again Sunday in a bloody fight near the cease-fire line with Israel. Two soldiers and 12 guerrillas were killed, Palestinian sources say.

DETROIT (AP) — Negotiators for both the United Auto Workers and General Motors claim the other side won't alter position, setting the stage for a strike against GM to take place at midnight tonight.

PALM SPRINGS, Calif. (AP) — Vice President Spiro T. Agnew resumes his political traveling with a stop in Las Vegas. He spent the weekend relaxing after speaking in three states in two days last week.

WASHINGTON (AP) — A White House commission has told President Nixon the United Nations has been weakened and misused by its members through failure to make it the world's primary means for peace and security. The U.N. General Assembly opens its 25th session Tuesday.

WASHINGTON (AP) — Little progress has been reported in efforts to avert a nationwide railroad strike scheduled by four AFL-CIO unions for 12:01 a.m. Tuesday.

## Hempstead Has Most Highway Deaths

The Arkansas State Police reported today that 181 persons died during the 101 Days of Danger, between Memorial Day and Labor Day. According to State Police figures, this is 19 more deaths than were recorded in the vacation period of 1969.

Captain Milton Mosier, District Commander of the Hope District for the Arkansas State Police said that 55 persons died during the month of August on Arkansas highways. He said 6 of the deaths occurred in the 9 counties comprising the Hope District. Counties in the district recording deaths during the 31 day period were Clark and Miller 2 deaths each, Little River and Nevada one each.

Statewide, Troopers investigated 1,096 accidents. Troopers in the Hope District investigated 88 accidents citing failure to yield right of way, excessive speed and drinking as the leading causes in the accidents.

Hempstead county recorded the highest accident rate for the month with 18 followed by Pike with 14 accidents, Clark 12, Sevier and Little River 9 each, Howard and Nevada 8 each, Miller 7 and Lafayette 3 accidents.

Captain Mosier urged all motorists to be alert for the unexpected actions of children as schools re-open. He also reminded motorists to be watchful for school buses as they return to the highways.

LITTLE ROCK (AP) — Mrs. Dorothy Mae Thomas, 39, of Little Rock has been charged with murder in the shooting death of her husband after an apparent domestic quarrel.

Little Rock officials said Walter Thomas, 60, died Saturday after being shot Friday night.

## UN Misused, Weakened, Nixon Told

By **MICHAEL J. KEILLY**  
Associated Press Writer  
WASHINGTON (AP) — A White House commission has told President Nixon the United Nations has been weakened and misused by its members through failure to make it the world's primary means for peace and security.

Henry Cabot Lodge, a former U.S. ambassador to the U.N. and chairman of the 45-member commission, presented the interim findings to the President Sunday. The report noted a loss of public support for the world body in the United States and called for its strengthening.

"The critical importance of the United Nations mediation in the Middle East conflict will, we hope, lead to suggestions for providing prompt procedures and impartial expert staff to limit, defuse, and settle this kind of breach of international security," Lodge said.

## New Demand to Protect Airliners

By **PEGGY SIMPSON**  
Associated Press Writer  
WASHINGTON (AP) — The capture and destruction of four jetliners by Palestinian guerrillas have triggered congressional demands for retaliation, including proposals for an air quarantine of any nation harboring hijackers.

The proposals have emerged angrily along the entire political front of Congress—Republican, Democratic, liberal and conservative.

A bill advanced by New York Republican Sens. Charles E. Goodell and Jacob K. Javits would require the President to take steps for an international shutdown of air traffic to nations contributing to hijackings.

Such a quarantine would be imposed if the country had participated in an air piracy, provided a haven for its perpetrators, or refused to secure the safe return of planes, passengers and crews.

The President would be empowered to revoke all U.S. air traffic to the nation in question—and to any other country not joining the boycott.

In the House, meanwhile, the Foreign Affairs Committee is lining up hearings on several other proposals introduced in the wake of last week's hijacking and dynamiting by Arab guerrillas of four airplanes carrying several hundred U.S. citizens.

One bill, backed by Rep. Sidney R. Yates, D-Ill., and nearly 100 co-sponsors calls for President Nixon to seek international agreements to prohibit and punish armed attack on aircraft.

The Yates bill calls also for the suspension of air travel to and from any nation failing to return within 48 hours the hijacked plane, its crew, passengers and the persons responsible.

President Nixon, with solid backing from congressional leaders, already has ordered the use of armed government guards on many overseas and domestic airline flights.

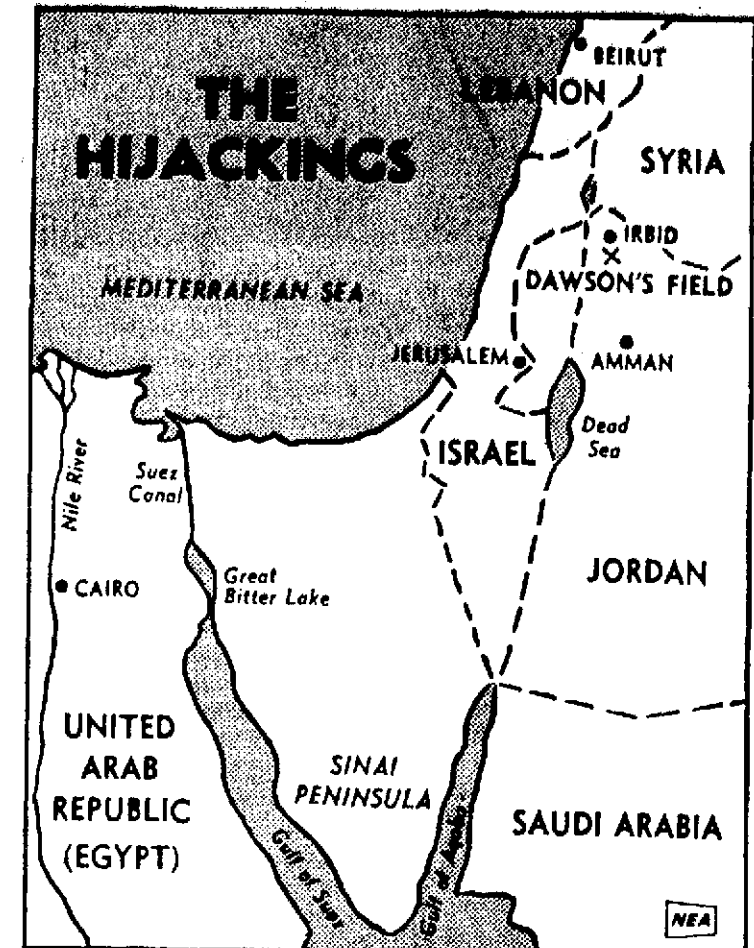

Sen. John G. Tower, R-Tex., noted the Airline Passengers Association recommended last week that Nixon should ask for an international air conference on way to cope with air piracy.

## Israel in Threat to Execute 450 Arabs If Hostages Are Harmed

## Hijackers Want Full Ransom

By **THE ASSOCIATED PRESS**  
Israel has warned Palestinian guerrillas it will impose the death penalty on 450 sympathizers rounded up in occupied Arab territories if the remaining hijack hostages in Jordan are harmed, an Arab emissary disclosed today.

Dr. Wazi Qarnhawli of Nabulus in Israeli-held Jordan said he carried the warning to Amman over the weekend at the behest of the Jerusalem government. He said the Israelis also threatened to blow up houses of guerrillas convicted by Israeli courts and to confiscate their property.

A known sympathizer of the Popular Front for the Liberation of Palestine, which is holding the hostages, the Nabulus doctor was one of three Arab emissaries dispatched to Jordan by the Israelis.

After the three arrived in Amman, the Israelis disclosed they had rounded up 450 Arabs in Jordan's occupied west bank and in the Gaza Strip.

The Popular Front said Sunday it would retaliate for the mass arrests "with complete ruthlessness."

The guerrilla leadership revised its figure today on the number of remaining hostages to "about 50" after airline officials reported 55 persons still unaccounted for. The Popular Front had claimed Saturday it retained only 40 captives.

The last of the other 257 hostages, held for as long as a week, reached Nicosia Sunday. Many then left for Zurich and London, while others spent their first night of freedom in Cyprus.

They were passengers in a Swissair DC8 and a Trans World Airlines Boeing 707 that the Popular Front hijacked Sept. 6 and a BOAC VC10 commandeered last Wednesday. The commandos had demanded the release of seven Arab prisoners of Britain, West German and Switzerland as the price of their hostages' freedom.

However, the seven remained imprisoned and a Popular Front statement Sunday night did not spell out terms for the release of the remaining hostages. It said the demands have been communicated to the governments involved.

Negotiations between the Palestinians and a committee of the International Red Cross were suspended Sunday and the Red Cross negotiators flew back to Geneva.

Officials of the Red Cross and the Swiss government met for more than three hours today with the four-nation hijack crisis committee. The Swiss Foreign Ministry then announced that the organization had a mandate to work for release of all the hostages.

With the absence from Amman of the Red Cross team, Vatican emissary Magr. Jean Rhodain, met for 30 minutes with top Popular Front leaders and said the talks were "very encouraging."

He said another meeting was scheduled today.

Sources in Tripoli said the Libyan government had volunteered to mediate between the Palestinians and the Western governments.

Libya also would try to convince the Palestinians to refrain from further terrorist activity in the three nations, the sources said.

A proposed deal between the Popular Front and West Germany for the release of two West Germans and the American husband of one of them was rejected Sunday by the Bonn government.

Two women from the PFLP met with American Sunday night and told them the hostages were being treated well.

## Meyer Award to L.R. Student

LITTLE ROCK (AP)—A Hall High School student, Pat Miles, 17, has been named the Agustin winner of the Charles T. Meyer Foundation Award for Excellence in Athletics.

Miles set three state swimming records in the AAA meet in Little Rock. He then qualified for the national AAU meet in the 400-meter and 1,500-meter freestyle competition.

Golfer Martha Jett of Little Rock was the runner-up in the balloting.

## Cold Front Is Expected in Arkansas

By **THE ASSOCIATED PRESS**  
A new cold front is expected to move into the state Tuesday, the U.S. Weather Bureau said today.

Accompanying the front will be the increasing possibility of rain and scattered thundershowers.

Arkansas has had both extremes of weather in the past few days. Late last week, a warm front was pushed out of the state by a cold front, which was subsequently displaced by another warm front.

The majority of the rainfall caused by the alternating cold and warm fronts has been confined to Northwest Arkansas.

Highs Sunday ranged from 98 at Texarkana to 86 at Fayetteville.

Overnight lows were 67 at Fayetteville, 68 at Harrison, 72 at Jonesboro, Pine Bluff and El Dorado, 73 at Texarkana, and Memphis, and 71 at Little Rock and Fort Smith.

Miss Arkansas, Hope's own Miss Donna Connelly, was in the top 10 but failed to make the final five.

At the Kiwanis Club state convention being held in Little Rock at the Lafayette Hotel, Mrs. Dean Murphy served as MC at a brunch today (Monday) for the wives of delegates, and Miss Congeniality, Margie Royston, was a special guest. Later, Mrs. Murphy and Miss Royston went to the Governor's Mansion for an afternoon tea.

Famous Hope watermelons are still getting a big play. A 104-pounder was given to a Razorback football crowd on a river boat in Little Rock Saturday, and at the Kiwanis Governor's Ball a 130-pound melon went to Gov. Dick DeWalle, while Governor-Elect Bert O. Miller got only a 10-pound one, since he is still a baby in his new role. On September 1, Mr. and Mrs. Dean Murphy sent a 111-pound melon to the Detroit Children's Hospital.

## AEA to Ask for Budget of \$275 Million

LITTLE ROCK (AP) — The state Board of Education voted Sunday night to ask the legislature for \$275,911,147 to operate the state's public schools for the next biennium.

Included in the request is \$40 million for additional services and salary expenditures.

Education Commissioner A. W. Ford said the request for additional funds would be impractical unless the legislature adopted "a complete tax program" in the next regular session.

For the 1971-72 school years the funds requested were \$145,414,928 and \$130,496,219 for the 1972-73.

"When the Legislative Joint Auditing Committee gets through paring this down," Ford said, "we'll add up what's left and make up our budget on a yearly basis."

The board also approved requests for the State Rehabilitation Service, the Rehabilitation Service for the Blind and the state's vocational-technical schools and requests for federal appropriations.

The federal funds do not require any state funds, but must be approved by the legislature.

For vocational-technical schools the board has asked for \$13,114,220. Federal fund requests for the vo-tech schools amount to \$3,474,352 for the two-year period.

The board will also ask for \$3 million for construction of vo-tech facilities to be matched by federal funds.

## Steelers Pin Future on Bradshaw

By D. BYRON YAKE  
Associated Press Sports Writer  
PITTSBURGH (AP) — Terry Bradshaw.

The Pittsburgh Steelers are pinning their future on him, but the golden-haired rookie will likely get more offensive support from his teammates than preceding quarterbacks have for years.

The Steelers were 1-13 last season, reason enough to arouse hopes and dreams when a 21-year-old quarterback leads them to three successive pre-season victories.

Bradshaw, the top pro draft pick, seems to have more skills than just throwing a football with the precision and release of a rifle.

"In this case, it's leadership by example," says Steeler veteran Andy Russell. "He's doing it. He doesn't have to say anything."

"Now our football team knows it can win," Coach Chuck Noll said after the third victory. "All the pieces are falling into place."

Bradshaw is the cornerstone of the new Steeler structure, but Noll has made trades that should strengthen the total offense.

To buoy up an attack which last year scored only 218 points while the opposition was getting 404, Noll traded quarterback Dick Shiner to the New York Giants for running back John Fuqua and linebacker Henry Davis.

Both have made the starting

## Snead Takes 3rd Senior Pro Meet

PORTSMOUTH, Va. (AP) — Sam Snead has won his third world professional senior golf championship and given the United States a 143 lead over Great Britain in the series — but for a long time Sunday he looked like a loser.

The 58-year-old Snead was four down at the halfway mark of the 36-hole match after British champion Max Faulkner fired a three-under-par 69 over the 7,000-yard Bide-A-Wee Golf Club course operated by another former senior titleholder, Chandler Harper.

But the 54-year-old Faulkner bogeyed two of the first four holes in the afternoon and Snead birdied the other two, and suddenly they were all even again.

That should have given Faulkner an indication of things to come, but the Briton — whose only previous appearance in the event was a 2-up loss to Harper two years ago at Dundee, Scotland — went back in front by two holes when Snead bogeyed the 23rd and 24th holes.

Snead pulled even again with a birdie on the 27th with a 10-foot putt and a Faulkner bogey on the 28th, and they still were even coming to the 31st after Snead birdied the 29th and bogeyed the 30th.

That's when Snead took charge for good, winning three of the next four holes to close out the match.

The Slammer birdied the 31st, Faulkner bogeyed the 32nd and Snead closed it out on the 34th with a par when Faulkner hit his second shot over the green, chipped back and two-putted for a bogey five.

Snead was two under par and Faulkner five over for the 16 holes of the afternoon round, leaving Snead one over for the day and Faulkner four over.

"Everything I hit in the morning round seemed to wind up behind a tree," Snead said of the dismal morning round. "Then in the afternoon I began to drive like I did 10 years ago and it seemed to help my putting, too. In fact, my putting was so good I could hardly believe it."

Faulkner blamed the humid late summer weather for his poor afternoon showing, an excuse used before by golfers used to cooler climates.

## Fights

Weekend Fights  
By THE ASSOCIATED PRESS  
BARI, Italy—Nino Benvenuti, Italy, stopped Doyle Baird, Akron, Ohio, 10.

TRENTON, N.J.—Sammy Goss, 124, Trenton, outpointed Jose Moron, 120½, Costa Rica, 10.

LOS ANGELES—Baby Luis, 12½, Miami, Fla., outpointed "Lobito" Montoya, 134, Los Angeles, 12.

lineup, although Fuqua is presently hampered with a sore leg.

The Steelers also acquired Preston Pearson, a running back who didn't reach his potential at Baltimore. After four exhibition games, Pearson was the Steelers' leading ground gainer with 190 yards in 40 attempts. Fuqua gained 166 yards in 30 tries, a 5.5 average.

Pearson came to Pittsburgh with safety Ocie Austin for line-backer Ray May.

In May's place, Noll has Chuck Allen, who at the age of 31 and with gimping legs was a question mark but has done the job. He traded rarely used receiver Don Alley for Allen from the San Diego Chargers.

The Steelers also traded quarterback Kent Nix to the Minnesota Vikings for a 1971 draft choice.

That leaves the reins to Bradshaw, second year man Terry Hanratty and rookie Bob Leahy. In four games, Bradshaw has completed 44 of 87 passes and thrown for one touchdown.

Against the New York Giants, on national television, Bradshaw completed 15 of 23 passes for 244 yards. The Steelers won 21-6. And at quarterback for the Giants was Shiner.

Noll also traded Roy Jefferson to Baltimore for Willie Richardson, a proven receiver who nevertheless may find himself behind the Steelers' second draft choice, Ron Shanklin, and Dave Smith, Dave Kalina and Hubie Bryant, also rookies.

Joe Greene and company—Lloyd Voss, Chuck Hinton and Ben McGee—still are the defensive line and a good one.

Andy Russell, the defensive co-captain and perhaps one of the most underrated defensive players in pro football, will combine at the linebacker spot with Davis and Allen. Jerry Hillbrand will also see a lot of action.

In the defensive backfield will be John Rowser, formerly of Green Bay, Chuck Beatty, Austin and Lee Calland.

Gene Mingo, who fought soccer-style kicker Alan Watson to the wire for the job, will be the Steeler kicker.

Punting will be handled capably by Bobby Walden, who averaged 42.3 yards last year.

There's one player almost forgotten—he's usually forgotten until the Steelers need crucial yardage—Dick Hoak.

Presently he and Warren Bankston are backing up Pearson and Fuqua. But Hoak can't be counted out.

## U.S. Victory Anticipated in Yacht Race

NEWPORT, R.I. (AP) — Sportings' oldest monopoly resumes Tuesday and it is hard to find anyone who doesn't expect more of the same—another hum sallow for the United States in the America's Cup competition.

Many think Intrepid, only the second boat picked twice to defend the cup, will win the best-of-seven race series in four straight over the Australian challenger Gretel II.

One of his entourage reported Sir Frank Packer, head of the Aussie syndicate, as feeling bearish about his boat's chances.

But match racing such as for the America's Cup is a battle of billfolds, design, space age technology, crew selection and organization, helmsmanship, sailing tactics and luck.

Intrepid showed herself a winning combination of all of these in her somewhat surprising victory over Valiant in the elimination trials. Valiant was the 1970 product of the genius of designer Olin Stephens who also designed Intrepid which soundly defeated Australia's Dame Pattie in the 1967 challenge.

Valiant was believed to have been an improved refinement on Intrepid but Intrepid proved that life can begin again at age three after having nautical face lifting by 30-year-old designer Britton Chance Jr.

The intriguing question thus resulted—how much of Intrepid was Stephens and how much Chance?

"Ninety eight per cent Chance," quipped the young designer.

Gretel II, designed by Alan Payne, was not all that much of a superboat in trial runs against the original Gretel which lost to Weatherly in 1962. Yet Gretel II handily defeated France 4-0 in an elimination series last month against the French challenger.

And France was supposedly an improvement over Chancegger, built as a trial horse for her and designed by Chance himself. So what does all that prove? Who

## Schmidt First in Bowling Tournament

WIND GAP, Pa. (AP)—Curt Schmidt, of Ft. Wayne, Ind., came up with a strike on his final four shots Sunday night to take first place in the \$32,000 Blue Mountain Open Bowling Tournament.

Schmidt's 203-188 victory, knows and that's what makes yacht racing.

There's a 98 per cent chance though that the matter will be settled not long after Tuesday's start. If Intrepid starts moving away right from the gun as she did against Dame Pattie, the bookies might as well close up shop and go home. If Gretel II does the moving on the other hand, a lot of eyebrows will be lifted in Newport and a lot of beer steins in Australia.

Both yachts were out Sunday in a brisk southerly, Intrepid with Bill Ficker at the helm and Gretel II with her 37-year old skipper, Jim Hardy.

Ficker, a 42-year old California architect, says he is not thinking about winning or losing. "I just concentrate on organization and sailing the boat."

## McLaren's Domination Is Ended

By BLOYS BRITT  
AP Auto Racing Writer  
The golden era of Team McLaren's domination of road racing in North America came to an end in the red clay hills of Georgia Sunday.

The driver who did it was 38-year-old Tony Dean, a Britisher whose 182-cubic inch Porsche Spyder 908 shouldn't even have been racing against the likes of the 600 horsepower McLaren-Chevrolets.

Dean, a baiding veteran of many European courses, mostly in small machinery, happened to be the guy who was sitting in the right position at the right time as the more powerful contenders dropped out one by one in a wreck-marred Canadian-American Challenge Cup race at the new Road Atlanta Circuit 40 miles northeast of Atlanta.

The Britisher romped home to collect \$16,450 from the \$61,500 purse—the largest payday of his career—and end Team McLaren's string of Can-Am victories at 19. A McLaren team car hadn't lost in the million dollar

series since Oct. 13, 1968, and they had won the series title three times in a row.

Al Unser, gaining his seventh victory of the season and already with more than \$360,000 in the bank, beat off A.J. Foyt's challenge to romp home ahead of the pack in a 100-mile championship race at Indianapolis Fairgrounds Saturday.

The victory gave Indianapolis 500 winner Unser a 2,100-point lead in his quest for his first USAC driving title. There is only a mathematical chance that anyone will stop him.

Unser averaged 97.94 miles per hour, a track record, in finishing well ahead of Ralph Ligouri. Foyt was third, Sammy Sessions fourth and Mike Mosley fifth.

NASCAR's Capital City 500-mile Grand National race at Richmond, Va. Sunday. He completed the 500 miles in a Plymouth at an average speed of 81.469 m.p.h. and was two laps ahead of second-placer Bobby Allison's Dodge at the finish.

Third place went to Donnie Allison in a Ford and fourth to the Dodge of Bobby Isaac, who increased his slim lead over James Hylton for the NASCAR driving title.

Dean's win at Road Atlanta came after four separate early

## Leary Escapes From Prison in California

SAN LUIS OBISPO, Calif. (AP) — Timothy Leary, the former Harvard psychology in-

structors who became a guru to the nation's drug culture, has escaped from prison.

The only clue authorities had today was Leary's blue denim inmate clothes, found in a service station rest room a few miles away.

Leary had been at the California Men's Colony 200 miles north of Los Angeles since shortly after being sentenced March 16 to a six-month to 10-year prison term on a marijuana possession conviction.

He was last seen by prison authorities two hours before a midnight bed check Saturday. Authorities said Leary either had a car waiting for him or hitchhiked away after climbing a 10-foot chain-link fence that separates the prison from the outside world.

Officials have said they sent Leary to the minimum-security rural men's colony because he seemed unlikely to be violent or try to escape.

Though described as a model prisoner, Leary, 49, was refused parole last month.

His imprisonment was a result of one of many encounters he has had with the law since becoming nationally known as an advocate of marijuana and psychedelic drugs.
